

ANARCHIST VILLAGE----EARTH LINK

Anarchist village this village will consist of a central eating area in line with the Earth Link cafe providing food for the workers of ConFest. This area will be a meeting place for varied Workshops and discussions also the putting into practise the Food Not Bomb kitchen .

Food Not Bomb

this is the concept of an ongoing free food kitchen which utilises the wasted food of our consumer society to feed people on low incomes and activist (firs kitchen for critical mass 2/96) this kitchen will show that we can live a life that dose not follow the rules of this western society.
