5	Matters Arising	Procedural
	<b>Don</b> - Minutes from 11/01/2018 online look incomplete there are inconsistencies with item 14 in two different versions of the minutes - Sydney Confest motion	
	needs to be checked against the audio	
	Coral - I will check the audio and reissue the minutes	
	<b>Troy</b> - Point of correction – Troy reads the minutes from the 11 <sup>th</sup> Jan	
	<b>Denise</b> – Agreed about the content its just there are two different versions	
	<b>Don</b> – The Minutes are being used by Bree to pay accounts. The ones online need	
	to be realiable	
6	Check on the Motion for Rodeo Budget	Troy Reid
	<b>Troy</b> - Not sure which meeting it was but can anyone recall when we approved a budget for the rodeo to get fixed?	
	<b>David C</b> - I would have assumed that Mark had a budget for that already	
	<b>Denise</b> - Asks Richard if he remembers a date	
	Richard - No I was not across this one	
	Denise - We need chase Mark	
	<b>Troy</b> - Mark asked me to submit a form to the Finance Group and when I went to	
	check for the motion	
	<b>David C</b> - Its been at my brother Peter's place waiting to be fixed and so we got it	
	fixed locally so it could be driven. So the mechanic will need to be paid	
	Ian H - I spoke to Mark about that invoice and he said he will cover that in his	
	budget	
	<b>David C</b> - That is what my understanding too	
	<b>Troy</b> - Its just that when I checked there seemed to be no motion for that so	
	perhaps I will just submit one for \$1500 to be ratified now?	
	<b>David C</b> - It was my understanding that originally Mark had been given a much	
	bigger figure. He theoretically should have a larger fund that he applies for so	
	that he is not applying for individual repairs each time <b>Ian</b> - We need to tell Scouse about the Rodeo	
	lan - we need to tell scouse about the Rodeo	
7	Radio Report	Denise Banville

Peter T – Daylight savings falls during Confest. Wants clarification on how this will be managed           Motion - That Confest adopt the official eastern standard time Moved by: Ian Hales Seconded: Denise Accepted: PBC           11         Discussion - Cash Sales at Gate           Denise - There has been a lot of lively discussion online and requests for the try booking report that is meant to provide all the information. The CC voted that there would no cash sales last year and it still occurred Ian - It is preferred that we do not have cash and the less the better but its going to happen so we should have a proper process.           Denise - Suggestion that we make a separate process, that is connected to accounting and put someone on this task separately. Suggest Don Troy - This submission is out of order, the facilitator who is ratified to manage this process is not present - defer until next week?           Elle - Support deferment         Kathy - Consider the whole ticketing process           Kathy - Consider the whole ticketing process needs to be discussed or builing for asking for a report. The whole ticketing process needs to be discussed tonight           Elle - Have no problem with discussing alternatives, but this is out of order as it sets a precedent of facilitators not being present when their work is discussed Kathy - I was accused of builing for asking for a report. The whole ticketing process needs to be discussed tonight           Elle - What is happening now is an extension of the bullying Coral - Defer this agenda item to the end of the meeting Kathy - I would like to add 'Bullying' to the agenda           12         Belly Jam – Sharing of their Village equipment           13
