

## 2018-09-05 Water Project ZOOM CHAT

00:05:08 Scouse 1619: Morning All !

00:23:10 Elle Brogan 1710: This is the most recent Proposed Plan though it does not incorporate the Aboriginal Heritage site on the mapping which are a council criteria

00:24:35 Br John 0000: I have just sent email with some tracks. Market track around inside, and outside fence on east side.

00:27:37 Troy Reid: Thanks John - great work there

00:32:34 Br John 0000: This one is a list of GPS points of toilets, cooking circles and a few others.

00:48:11 Scouse 1619: How are we joining the new 50mm pipe ?PVC Joiners or are we welding like we originally did ?

00:48:45 Mark: just using joiners Scouse

00:49:14 Barry Simmonds: 1. design of pipes

00:49:23 Scouse 1619: The problem with Joiners is that they reduce the internal diameter

00:49:25 Barry Simmonds: 2. placement of tanks

00:49:53 Elle Brogan 1710: # Finalise submission for Engineers – collated concept proposals and plans for storage, distribution, construction (whole architecture) – Trevor S, Troy, Aaron # Confirm Engineers engagement - Coral # Confirmation of finance process for the project – debit cards to facilitators, separating out the working bee from the project? Management of cost categories. – ALL# Working Bee Budget (including Fuel reimbursements) clarification - Elle # Timeline and Map with AH sites underlay – Trevor P? Aaron # Credentials of construction team for file (in case engineers req)

00:49:58 Barry Simmonds: 3. refit of treatment equip

00:52:54 Barry Simmonds: 1. design of pipes2. placement of tanks3. refit of treatment equip

00:54:42 Scouse 1619: Would it be prudent to sink a Bore in case we get Green Algae ?

01:27:13 Barry Simmonds: failsafes

01:34:09 Barry Simmonds: the current pipe is not food grade

01:36:22 Scouse 1619: Is that all of the Main Barry ?

01:57:09 Barry Simmonds: trevor keeps conflating the treatment process and delivery process

02:14:01 Elle Brogan 1710: Thanks Trev is was good to just have that clarified

02:18:27 Barry Simmonds: \$50k needs to be left to the pipes and fittings

02:20:31 Barry Simmonds: need to submit another budget for the working be

02:24:22 Barry Simmonds: meeeeeeeee

02:37:24 Trevor Pitt 1767: Barry. Need to agree with you again
