

2018-09-12 Water Project ZOOM CHAT

00:35:04 Trevor Pitt 1767: Hello All

00:41:02 Juliet: Hi Everyone, I have no sound. Are you guys talking?

00:50:41 Troy Reid: Hi all - sorry I am late

01:21:02 Mark Rasmussen: troy, I would like to finish answering some points on the design. Barry, you n

01:22:14 Mark Rasmussen: Barry you have made some points very clearly. Now you need to hear some ideas from others, even if you dont agree. This is about exchanging ideas

01:23:12 Barry Simmonds: we are 2 weeks out, this was talked about and voted on, are we going to continually change every thing

01:24:30 Barry Simmonds: then have a twin system

02:13:02 Juliet: Malcom told me last year that if there was a fire in the district then the big Rhino tank could become a water extraction point for local fire fighting units. ... Just thought I would mention this.

02:13:57 Troy Reid: Wow John! That is great

02:14:05 Troy Reid: Thanks for producing that

02:16:27 Mark Rasmussen: Barry, I want to appologise for getting snappy. What you say is very true, I value your experience greatly

02:27:00 Troy Reid: sorry - back again

02:32:00 Juliet: Can't we increase the budget and do it right?

02:57:04 Troy Reid: Madam Secretary... love that name lol

03:18:04 Juliet: Goodnight. :)
