00:39:30 Peter Tippett: Easier if everyone just used it.

00:40:42 Kristen Joy: that list is just a visual aid for me when we do the audio voice check, unsurprisingly, visual or audio identity checks are still the way we verify attendance....

00:41:50 DTE: Hi Juliet!

00:42:10 Mark Rasmussen: Hi Kobie

01:03:54 Scouse 1619: Do we have a bowel motion ?

01:04:06 Kristen Joy: a mountain 'O motions

01:09:11 Juliet: hi jack, miss you, love kobo. Come back tomorrow :)

01:09:41 Trevor Pitt 1767: haha x

01:12:02 Darrylle Ryan: dicky eye it looks straight

01:19:42 Scouse 1619: We should put say 6 members through a Rigging Course and then

purchase all Tarps to be installed by our own Rigging Crew

01:20:25 Scouse 1619: I do indeed have my licence

01:24:03 Scouse 1619: but I am old

01:24:20 Scouse 1619: and worn out

01:30:02 Peter Tippett: I dont feel what is being discussed at the moment is in the spirit of the motion and Malcolms question is a great point.

01:32:52 Scouse 1619: Food should be omitted from this Motion

01:33:13 Troy Reid: Bunnings annual purchases circa \$18k

01:34:10 Scouse 1619: We should have an account at Bunnings because Bunnings are on their own in good Hardware and associated prices.

01:36:21 Peter Tippett: It seems like the people who support the motion are concerned about it being applied to themselves.

01:39:16 Kristen Joy: easy to have opinions about things that don't affect your volunteer work

01:39:36 Kristen Joy: anything else take actual thought and reasoning skills

01:46:09 Scouse 1619: We need a Purchasing Committee

01:51:26 Peter Tippett: Good on you Tania.

01:53:06 Kristen Joy: some people will be sure how they want to vote, but are not able to attend the meeting..... I believe this will include those folks in our processes it will also encourage a more thorough and positive discussion process prior to the meeting

01:53:22 Scouse 1619: I believe that all Members should attend Meetings and if any Member does not attend say 5 meetings they should not be allowed to vote at an SGM or AGM

01:56:11 Kristen Joy: we do need to have a process that covers amendments maybe an sms message?

01:59:36 Trevor Pitt 1767: thanks Peter

02:02:08 Scouse 1619: Why do most of our Members NOT attend Meetings ?

02:03:47 Mark & Trevor S: Well said Robin

02:08:46 Kristen Joy: we need to work hard to create civil and welcoming discussion spaces, both emails and meetings the reality is that we are too often not that extending this kind of welcome to be included is a neccessary part of trying to heal the consequences of the unhealthier of the dte social dynamics

02:09:47 Darrylle Ryan: But some people are tired of the argments, swearing ect I am only young on site and have listen to some say inhouse fighting

02:10:09 Kristen Joy: there are technical details to work out, but I really think this is a way to include and encourage more member to be involved

02:15:00 Kristen Joy: I'm crunching the memcom info, we seriously need to look at why members leave

02:15:28 Kristen Joy: this may be the saddest job I've done for dte so far

02:16:13 Scouse 1619: This is why we need both a ConFest and a DTE Membership !!!

02:16:53 Scouse 1619: ConFest and DTE are anathaema !

02:18:48 Scouse 1619: anaethema

02:21:21 Troy Reid: Proposed ammendment:

02:21:23 Troy Reid: Motion: "That all future ordinary resolutions and special resolutions put to members at general meetings be done so using an electronic voting system with polls open at least a minimum of 3 days post the scheduled start time of the general meeting, that electronic voting equipment be available to use at the advertised meeting place at least an hour prior to the commencement of the general meeting scheduled start time, and that DTE rules be amended to reflect these changes."

02:30:47 Peter Tippett: Could we have a list of who was sent a notice for this meeting please?

02:31:08 Darrylle Ryan: You can not please everyone some people just want to work and not get involved in the politics of things

02:31:34 Mark & Trevor S: Peter, a lot of people here said they didnt get a notice for this meeting

02:31:50 Peter Tippett: that doesnt answer my request mark but thankyou

02:31:57 Kristen Joy: apart from the timing restrictions, there are real reasons that people are reluctant to be involved in dte, as an honest acknowledgement of that reality I believe this is a sensible way to encourage more people to be involved in dte decisions, perhaps an sms message of ammendments can happen, but ultimately we should be aiming for so

much community consultation that amendments are rarely necessary

02:32:11 Peter Tippett: Could we have a list of who was sent a notice for this meeting please?
02:32:17 Scouse 1619: That's why we need a ConFest Membership that has different criteria other than having anything to do with DTE, just ConFest.

02:32:24 Troy Reid: Motion: "That all future ordinary resolutions and special resolutions put to members at general meetings be done so using an electronic voting system with polls open at least a minimum of 3 days post the scheduled start time of the general meeting, that electronic voting equipment be available to use at the advertised meeting place at least an hour prior to the commencement of the general meeting scheduled start time, and that DTE rules be amended to reflect these changes."

02:32:58 Mark & Trevor S: PT, just indicating that there may have been some problem with the notice going out to everyone

02:33:16 Troy Reid: Motion: "That all future ordinary resolutions and special resolutions put to members at general meetings be done so using an electronic voting system with polls open at least a minimum of 3 days post the finish time of the general meeting, that electronic voting equipment be available to use at the advertised meeting place at least an hour prior to the commencement of the general meeting scheduled start time, and that DTE rules be amended to reflect these changes."

02:33:18 Peter Tippett: Yup. Thanks Mark. Could we have a list of who was sent a notice for this meeting please?

02:33:34 Peter Tippett: Coral?
02:35:23 Scouse 1619: I wish to be excused so I can get some sleep so I can drive to Site early in the morning ?

02:36:03 Peter Tippett: Goodnight Scouse
02:36:49 DTE: nite fella !\n

02:38:44 Scouse 1619: Goodnight all, 3am drive ahead !
02:39:06 Peter Tippett: Coral, could we have a list of who was sent a notice for this meeting please?

02:39:38 DTE: DTE is famed for its viciousness !
02:41:15 DTE: Maybe we need to just adopt the Geneva Convention? At least then people might take prisoners.

02:41:22 DTE: Just a though.
02:41:33 Mark & Trevor S: Trevor S and myself are a "YES"
02:42:16 Kristen Joy: the fact that by calling out the crappy behaviour, I'm accused of the crappy behaviour is EXACTLY how the crappy behaviour has been perpetuated over the years

02:45:37 DTE: hello?
02:45:53 Mark: yes or no Craig
02:46:03 DTE: sorry - yes
02:49:47 Scouse 1619: Night All
02:57:59 Kristen Joy: we need to be open to communication and learning opportunities, I can think of little that would be of more benefit to dte than for us to communicate better and work smarter

02:59:53 Kristen Joy: <http://dte.org.au/spring2018/spring%202018.html>
03:03:22 Peter Tippett: Sorry i dont think I will bother. It shouldnt need to go to an SGM if it was supported.

03:03:52 Kristen Joy: if you do what you've always done
03:03:59 Kristen Joy: you get what you always got
03:07:52 DTE: abstain - CRAIG

03:09:58 Peter Tippett: <http://data.dte.org.au/agendaOCfeed.php>
03:11:10 Kristen Joy: I abstain if I don't feel I have enough info to make an informed decision
03:11:34 Peter Tippett: This conversation is nice isnt it
03:12:02 Darrylle Ryan: ok nite all
03:12:09 Peter Tippett: OC?
03:12:11 Peter Tippett: 2018-09-27 21:54:40
03:12:21 Kristen Joy: g'night Darrylle :)
03:12:28 Peter Tippett: <http://data.dte.org.au/agendaOCfeed.php>
03:13:04 DTE: OC or OCD I ask you !
03:13:28 Lars Nissen 1685: Troy is suggesting that it be brought up at the directors meeting. Are

03:13:45

DTE:

you going to overturn the SGM's wishes again?

OCD?
