01:44:22	Kristen Joy 1645:	dte has fallen down that particular pothole more than once
01:45:23 01:55:11	Kristen Joy 1645: A Human:	we don't yet have quorum for cc Here are the cc minutes to approve from last week

nttps://arive	g.google.com/arive/folders/ Kristen Joy 1645:	19yEocs_HuJm_UAEVDYdvcBEE6XgnDQhh?usp=sharing mark apologising is some progress, him apologising to the people he has actually abused
02.04.07	Tribleir boy 1040.	would be actually adequate
02:05:54	Kristen Joy 1645:	to be clear, mark apologising to the directors for abusing another non director member is
00.40.40	16.5.4	inadequate
02:10:19 02:15:21	Kristen Joy 1645: John Magor 1841:	really appreciate you speaking up John Coral, i received your message, and replied and, again (as per my message) i thank you
02.10.21	John Magor 1041.	for reaching out.
02:15:25	Kristen Joy 1645:	it's a classic case of directoritis, I've seen it countless times over 12 years of dte
		membership, and I've seen more than countless members and volunteers leave because
		of it we cannot continue to indulge the bad behaviour of some at the expense of other good volunteers
02:16:52	Kristen Joy 1645:	he used the word sorry, that is not the same thing as a genuine apology
02:16:59	John Magor 1841:	important to note - is that the apology was followed up with - in the same sentence, that it
00.40.00	14:1 1 4045	was justified.
02:19:20	Kristen Joy 1645:	the board does have the discretion to make decisions via email etc between monthly meetings, I get that this is a busy time of year but at the same time, this isn't neccessarily
		a board issue, this is an issue of the behaviour of a member who happens to be a director
02:20:06	Kristen Joy 1645:	he is responsible for his own behaviour
02:20:47	Kristen Joy 1645:	it becaomes an issue when it goes past one or two incidents and becomes a malignant
02:22:42	Kristen Joy 1645:	pattern of behaviour permacroft is oc/board business
02:30:17	craig newcombe:	Hi all just to
02:32:23	craig newcombe:	Hi all just to let you know myself, Jess, Jonah are here. also Emma as a guest.
02:38:36	A Human:	http://data.dte.org.au/agendaCCfeed.php
02:41:42	Jessica Townsend 1/15:	Not sure if this has been addressed yet,,, but it's been asked in the confest group by a few people without a clear answer. Regarding Assistance Dogs, what documentation is
		required of people bring Assistance Animals. ?
02:43:27	A Human:	siterequest@?
02:43:34	A Human:	someone know?

02:47:37	Kristen Joy 1645:	Kate may be the best person for assistance animals
02:47:58	Kristen Joy 1645:	it's usually a first aid process
02:48:48 02:49:16	Lindy Hunt:	Lindy here Ok Just following up on a ungly convo on the facebook page . were no actull info was
02.43.10	ocssica rownscha 17 15.	given to the poepel asking ligimate questions.

02:51:09	Kristen Joy 1645:	we do need to address legitimate queries raised on facebook
02:51:39 02:52:43	Kristen Joy 1645: craig newcombe:	what is the best email add for first aid? hi
02:53:25	Kristen Joy 1645:	hi Craig, howgoesit?
02:56:23	craig newcombe:	we're all in this together 🎶ðŸ~
02:58:28	Kristen Joy 1645:	unfortunately the cc email list and at times the cc meetings are so toxic and full of
		beligerant, arrogant and misinformed opinions that the people who actually are engaged in organising confest (the actual purpose of the cc) are not willing to attend or engage in
		these forums
02:58:40	Kristen Joy 1645:

03:24:17	Kristen Joy 1645:	my tech will not allow me to put my hand up
03:25:07	Kristen Joy 1645:	I do my best to find a gap in the convo in which to speak up, that is not always perfectly possible
03:25:39	Lindy Hunt:	i had trouble un muting myself
	-	

03:27:03	ShardaeReed:	I want to hear what Kristen wants to do about the situation
03:27:22	A Human:	Ok shardae, we will go back to kristen
03:27:26	Kristen Joy 1645:	these folks cannot afford to come here and share their culture and wisdom with us
		because they have been systemically diminished by the colonial system that stole their
		land the fact they are willing to come here and share their culture is a gift to us and
		we can easily contribute to their ability to do that
03:27:29	A Human:	after lindy
03:27:31	John Magor 1841:	So well said Coral!Hear hear.
03:27:36	A Human:	Craig Scouse
03:28:08	Kristen Joy 1645:	NONE OF THIS HAS ANY RELEVANCE TO THE WEMBA WEMBA SPACE
03:28:23	Kate's Zoom Zoom:	@Lindy's comment - Great idea
03:28:31	Kristen Joy 1645:	they are coming from alice springs
03:29:19	Kristen Joy 1645:	so why not? we purport to stand for alternative ways
03:30:56	Kristen Joy 1645:	this is a unique situation, it is only indigenous groups that we are considering any
00 00 00	0	exceptions for
03:32:28	Scouse 1619:	WHO ARE THE LOCAL MOB to MOULAMEIN ???
03:32:43	Kate's Zoom Zoom:	Our locals are Wemba Wemba
03:33:04	Kate's Zoom Zoom:	We have multiple nations but we are on Wemba Wemba land
03:33:15	Kate's Zoom Zoom:	Agree totally Trevor!!!!!
03:33:18	Scouse 1619:	Then why don't we just give the \$6000 to the Wemba Wemba mob
03:33:52	Kristen Joy 1645:	if we specifically deny this application we will need to justify it in a way that does not leave us liable for a discrimination lysuit
03:33:59	Kate's Zoom Zoom:	Because this group put in an application for \$6000.
		That won't solve the issue
03:34:05 03:34:27	ShardaeReed: Jessica Townsend 1715:	
03:34:27		·
03:34:59	Kristen Joy 1645: Scouse 1619:	are we pitting these two groups in competition with one another? We need to invite Local Mobs to ConFest
03:35:32	ShardaeReed:	@kristen the application hasn't been represented properly so it can't be approved
03:35:44	Kate's Zoom Zoom:	Agree Shardae
03:36:08	Kate's Zoom Zoom:	Thanks Coral that would be ace
03:38:37	Darrylle Ryan:	Ok I had it got to go by all
03:38:45	Scouse 1619:	This is BULLSHIT
03:38:50	Kristen Joy 1645:	the application has been presented as well as many others that have been approved I
00.00.00	Taloton day 10 to.	honestly believe that there is discrimination here, I would not be hurting myself to speak

03:40:43	ShardaeReed:	I don't know about the other misrepresented applications, but it is also going to an
		under-represented committee
03:42:56	ShardaeReed:	Lars seriously how old are you dude?
03:43:59	craig newcombe:	I too can speak in favour
03:44:32	craig newcombe:	my hand is up
04:02:42	Jessica Townsend 1715:	Thankyou :)
04:04:44	Kristen Joy 1645:	the first aid funding application has been uploaded
04:05:58		as required needs to be clarified.
04:06:30	ShardaeReed:	Volunteers can bring their own boots
04:08:14	Jessica Townsend 1715:	
04:09:49	Kristen Joy 1645:	from what I saw of our gear at recent working bees we have around 20-30 vests, there
		may be another store of them somewhere
04:10:07	Kate's Zoom Zoom:	Thanks Kristen.
04:10:18	ShardaeReed:	hand is up
04:10:19	Kate's Zoom Zoom:	Maybe Shardae can give a list of stuff that's needed?
04:10:24	Kate's Zoom Zoom:	for PPE
04:11:07	Kate's Zoom Zoom:	Don't even know if any more vests are needed. I haven't been doing other PPE,
04.44.40	Katala Zaam Zaam	that was applied for in other budgets - just vests for adults and kids.
04:11:19	Kate's Zoom Zoom:	(in the past)
04:11:55	Kristen Joy 1645:	low income cannot be a barrier to people volunteering
04:11:58 04:12:20	ShardaeReed: Kate's Zoom Zoom:	Yeah happy to give someone a list That would be ace Shardae
04.12.20 04:12:26	ShardaeReed:	
04:12:20	Jessica Townsend 1715:	hand is up
04:15:19	Kristen Joy 1645:	ਾਰਸ . I'd better phrase it as: these folks are gifting their energy to make confest, if they are not
04.13.23	Klistell Joy 1043.	able to afford to buy decent workwear then it is reasonable for dte to do what is
		neccessary to enable that person to volunteer with safe workwear
04:19:01	Jessica Townsend 1715	I can on;y speak for my self, but the bub is a better option for set up food. and pack
5 r. 15.01	COSCICA FOWINGOIN IT IV.	down . Arts is too problematic.
04:19:32	Kristen Joy 1645:	if this was a paid job there should be an allowance in the wage to cover workwear in
5 5.02		theory we are a compassionate, inclusive volunteer process who is often dealing with
		volunteers on low incomes
04:20:44	Jessica Townsend 1715:	
04:29:27	Kate's Zoom Zoom:	I have to go everyone
04:30:10	Kate's Zoom Zoom:	l'm doing training in the morning so have to be up bright and early.

04:30:18	Kate's Zoom Zoom:	Night all xx
04:30:21	ShardaeReed:	night
04:31:36	Jessica Townsend 1715:	and there is a lot of cross over between 24/vooler and village vollies Many work at "ther
	_	village" and in other confest departments.
04:34:42	Zoe:	Not a big cross over of the 24hr vollies working in villages
04:34:48	Kristen Joy 1645:	thanks Shardae I very much appreciate all you do xo
04:35:37	craig newcombe:	up here on site as workers and volunteers we are all just shaking our heads. Good night
04.27.20	Kriston Isu 1645	we have a long day tomorrow. thanks for trying Robin.
04:37:20	Kristen Joy 1645:	we are all volunteers and workers craig
04:38:02 04:38:24	Kristen Joy 1645: ShardaeReed:	well said Shardae
04:36:24		Thanks
04.39.29	Kristen Joy 1645:	nod, have one place to post the info for all and try and ignore the 2 dozen daily individual inquiries
04:39:51	Kristen Joy 1645:	that's what I'm trying to do
04:40:05	ShardaeReed:	thats it essentially
04:40:53		Zoe theri has been in the past , not sure if everyone is great at filling out therre fourms.

04:46:23	Kristen Joy 1645:	12+ hours = \$50 ticket 24+ hours=\$10 ticket
04:47:55	Kristen Joy 1645:	there are a lot of legitimate reasons that people don't want to go to arts
04:48:05	ShardaeReed:	Jess: it was a committee decision that there are various concessions for the different

04:48:45	ShardaeReed:	it feels a bit weird to me too heh
04:49:36	ShardaeReed:	go for it
04:50:13	Kristen Joy 1645:	the reality is that there are site vols who barely do 24 hours who are automatically
	, ,	included in vol food arrangements and village volunteers who do hundreds of hours and
		are not automatically included in both cases there are of course the opposite cases
04:50:59	Jessica Townsend 1715:	Shardae, ok all seems icky saw it proposed did not know it was approved ect.
