            Peter Tippett:
Legal ActionAgenda details: The Board passed a motion requiring all General Meeting Motions to be determined by electronic
voting and this conflicts with the DTE Constitution. The Board has been spending OC money and delaying the payment of funds
approved by the OC and CC. The Board has been passing many non-urgent motions as Motions by Circular and often these
motions are not tabled at the next Board meeting. Some director spending may be in contravention of the DTE Constitution and
the CNL. We need to take legal action to ensure these actions do not put DTE at risk, and to make sure the cooperative abides by
it's rules.Motion: That the OC approves a budget of $4990 for Mark Helson and Denise Banville to initiate legal action on matters
relating to the Board overstepping its powers and contravening the DTE Constitution and that the money is placed on John Reid's
card.Item by: Steve Poynton

unanswered emails, weeks ago re the same matter) in which the OC passed a motion asking the Director responsible for the
```

00:39:45 Gaslighting the OC now. Peter Tippett: John Magor: If that's Troys objection - that's fine, in this instance - as always, we can now go to the vote (as opposed 00:39:57 to filibustering as was the case for far too long last night). Members of the OC have every right to hear any objection - and then move on to a vote./

purchase of a cellebrations gift card was a great aspect of why we didn't manage to get to the matter of the insurance bill?

Watch the clock and the repetition.

Kathy!!!!

00:40:06 John Magor: ..in a timely manner.
00:42:13 Peter Tippett: YEs, it would be nice if we did not need to repeat everything. Lets just vote. Unless

someone has something NEW to add to the discussion. 00:42:51 Kate Sarah: There will be no money left.

00:42:54 Barry Simmonds 1752: so john can state his legal opinion?

00:43:15 Bruce from Arts: Good on you John.
00:43:28 Barry Simmonds 1752: but no one else can?
00:43:59 Peter Tippett: The board can try.

00:44:17 Peter Tippett: So what is your concnern then?

John Magor: I didn't state -any- legal opinion Barry. Nup, sorry mate.I, in fact, rejected us accepting any legal opinion

from someone unqualified to do so.

00:44:57 Mark Rasmussen: Well said Elle

00:45:09 Peter Tippett: Can you talk about the motion Elle?

00:45:46 Mark Rasmussen: Don't let John Magor try to shut you down. You were in this committee a LONG time before

he turned up to tell us how we should act

00:45:59 Peter Tippett: Is this relevant to the motion?

00:46:09 John Magor: More unnecessary provocation, nobody said we can't - I did however, suggest that people who know

how they want to vote not need to join in on the talking chain.

00:47:28 Peter Tippett: This is not a new point and Troy has countered it by saying if the OC cannot do it then the

lawyer wont do it

00:48:18 Peter Tippett: Agenda and attendance register can be found

here...http://data.dte.org.au/meeting/current_meeting/portal.php

00:48:54 Peter Tippett: Funny how the board is concerned about no money today yet laughing last night about the

OC having no money.

00:49:59 Peter Tippett: The board has already stated (wrongly) the OC cannot get legal advice though is happy to

give it.

00:50:22 Peter Tippett: Not a group of members. The organising committee. Show some respect to the meeting

you are attending please.

00:50:27 John Magor: The board can (and does, and has) spent money on purchasing alcohol, and gift cards from a liquor outlet. Director's rent has been paid without any broad acceptance, authority by the wider community, made purchases in direct and specific rejection of motions passed. The very same Board that seeks legal advice as often as it sees fit -, then recommends the OC seeks legal advice - yet blocks the OC from accessing funds. Where then is all the money going - and by whose decisions does it flow?

00:51:35 Gaz: are we having this discussion because the members have lost confidence in the board?
00:52:02 Peter Tippett: Ballot resultshttps://secure.electionbuddy.com/results/TFWQZB8NSU6L
00:52:58 Peter Tippett: prop 1 yes, prop 2 yes, prop 3 no, prop 4 no

00:53:57 Peter Tippett: :-)

00:54:28 <3 Tania Morsman :): yes Gary I believe that many of the members have lost confidence in the DTE Board

00:54:51 Peter Tippett: Ballot results support that Tania.https://secure.electionbuddy.com/results/TFWQZB8NSU6L 00:55:57 <3 Tania Morsman :): yes I just had a look

00:59:54 Bruce from Arts: It's not a small group. The real interests of DTE & Confest need to re onsidered.

01:00:20 Kathy: application https://drive.google.com/file/d/1-pqHrhhSAe277JqzFSJ-PbuNPYKqRSQ3/view?usp=sharing

01:00:52 Peter Tippett: Thanks Kathy

01:01:20 John Magor: But the Board regularly refuse to share legal advice paid for by DTE funds. Furthermore - I'd prefer to pose these questions to someone qualified to do so - ie. a Lawyer. Why the reluctance to use a Lawyer to ask these questions of - when time and again, the Board is more than happy to utilise DTE funded Legal advice. Often. Even, on one occasion - a Director specifically requested a bill to be itemised so the 'the Membership could be shown how much the Director's sought legal advice cost the Membership. Fair? Equitable? Reasonable?

01:01:27 Gaz: pity that the board has lost sight of its purpose and aim of dte and confest.....

01:02:20 Bruce from Arts: The OC has the interests of DTE (& that of Confest) at heart. The board "seems" to be

looking after the board's interests

01:02:50 <3 Tania Morsman :): Thank you Peter Tippet

01:03:06 Mark Rasmussen: so, 20-30 people think they are representing 156 members. That's offensive

01:03:24 Peter Tippett: Motion: That the OC approves a budget of \$4990 for Mark Helson and Denise Banville to initiate legal action on matters relating to the Board overstepping its powers and contravening the DTE rules and that the money is placed on John Reid's card.

01:56:30 Peter Tippett: This is actually not an OC topic.

01:57:17 Steve Poynton: All of this is meaningless technicality as the vote holds no legal standing. It is an indication

of the members feelings

01:57:20 Peter Tippett: Did Grant attend tonight?

01:59:50 Elisa: There are privacy laws that may trump co-operatives laws in these matters.

02:00:26 Ellen Meoww 1710: Agreed Elisa

02:00:31 Peter Tippett: Just names and membership number is all that is required. No one has complained about

http://data.dte.org.au/members/all.php

02:00:35 Peter Tippett: in 2 years

02:00:39 Martin Schwarz: agree with Peter, privacy is waved in becoming a shareholder

02:01:58 Ellen Meoww 1710: I didn't know it was there

02:04:05 Ellen Meoww 1710: I don't want my name to be on a public list but wasn't asked 02:04:27 Peter Tippett: You put it down regularly as attendance and in minutes.

Such a murky and subjective subject.

02:05:29 Peter Tippett: I don't want the members register. I want the members list

02:05:32 Martin Schwarz: that is wrong lol 02:05:50 Peter Tippett: Bombard, >?????

02:05:54 Martin Schwarz: it is a company with shareholders, not customers

02:06:14 DeB&Darren: Hate? 02:06:19 Peter Tippett: Hate.

02:06:27 Martin Schwarz: shareholders have a right to know who is involved in the coop

02:06:34 Peter Tippett: So many are supportive and use it daily,

02:07:03 Martin Schwarz: Dan, your explanation was based on the wrong info

02:07:43 John Magor: "hate" - such a powerful and pejorative word. As words go - it's pretty much the end of the line, absolute and entirely unambiguous. I shivered.

02:08:05 Peter Tippett: Members list (names and folio number) is provided to members of the OC.

02:10:03 Dan Smith: No - the Australian privacy act is an Australian federal that overrides any of the co-op rules.

02:10:11 Peter Tippett: So we want it password protected? There has been no concerns raised in the last 2 years with this http://data.dte.org.au/members/all.php

02:10:16 John Magor: I agree Aaron - anyone has the right to "hate" anything, but whether or not the world is better for 'hate' of any kind is objectively questionable. So many options before one finds oneself at 'hate' - but that will always depend on the view of any given individual.

02:10:31 Martin Schwarz: yes dan, but not those of shareholders

02:10:33 Peter Tippett: Currently the board has made all who voted in the last ballot IP numbers available

what it means?

02:46:40 John Magor: In my (always humble) opinion - I'd like to suggest (and support) Brother John's amendment.

02:47:07 Dan Smith: Yes - It means you cant even managed to configure an SSL certificate which enables secure data exchange between hosts - which is only just the beginning of being able to secure data.

John Magor: ------It's not an issue of "patrolling" (as was stated by a Member) given that it's in 03:00:10 the rules - how can it be anything other than, for want of a better term 'fiduciary responsibility' to want to check what's rightly due to be seen as provided by the rules. Any suggestion that it's inappropriate to be allowed to see what the rules allow might be considered 'unusual' (in my opinion). 03:00:28 Martin Schwarz: yes I have screen shots of the bullying 03:00:49 Troy Reid: https://dte.coop/to/3z26j 03:00:55 Troy Reid: in the chat 03:02:15 well said Troy Mark Rasmussen: 03:02:31 John Magor: Having just now clicked on the above link - may I be offered directions to any register of Board attendance? Goose / Gander, same rules? 03:06:15 Mark Rasmussen: Good decision Chair 03:06:33 Peter Tippett: I disagree but it is your motion. The board is not keeping record. 03:08:04 Peter Tippett: Sounds like a real TrumpFrom Troy Reid to Everyone: 10:14 PMCorrectionhttps://dte.coop/to/9fa99Fake news from PT 03:09:37 Mark Rasmussen: well said, it has been hijacked by PT and Malcolm 03:09:55 John Magor: I'd like to acknowledge Trevor's stated basis and scope for this motion - and it be accepted as was its intent. Ellen, yet again you're so very clear on matters of 'bullying' and/or calling out incidents of harassment (my words) but may I please suggest that your calling out of such incidents seems quite 'directed' as opposed to a broad highlighting of such incidents by all those present (as is clearly evidenced by the chat record). 03:11:35 Mark Rasmussen: 03:11:42 Kathy: Directors can apply for leave of absence if prevented from attending because of the pandemic 03:11:47 Peter Tippett: Chair, correction..43. Casual vacancy (1) Any vacancy occurring in the Board otherwise than by rotation of retirement, shall be filled by an election to be called as soon as practical at a Special General Meeting or the Annual General Meeting if applicable. (3) The candidate so elected shall retire at the same time as the director he or she is replacing would have been due to retire. 03:13:51 Mark Rasmussen: People are supposed to direct their comments to the Chair. 03:14:41 <3 Tania Morsman :):</p> Thank you for your excellent Chair tonight Trevor John Magor: Yes Chair - "we're not all perfect".
