00:37:25 Peter Tippett: Chewing gum helps with ear infection. Gets the muscles working to clear things up.

00:37:56 Peter Tippett: Chewing gum does not help with tooth problems though.

00:58:43 Gaz: it was suppose to be an update

00:58:53 deBFI: Goodnight Gary

01:03:03 Trevor & Caryn: Dear All,May I suggest the file be renamed to accord with the Document Heading.In particular remove draft, as I don't believe it is appropriate to adopt a document, such as this, while it is in draft format. Secondly, given we already have a Code of Conduct. This motion does not address what is intended with regard to the existing Code of Conduct. Is the intention of this motion to have two Codes of Conduct?Or is the intention of this motion to replace the existing Code of Conduct?It would be potentially be "in the spirit of the motion" to amend the motion to include "replace" (if that is the intention). Possible amendment. Motion: That DTE adopts the reworked Code of Conduct and moves forward to advertise and select a panel to implement the new code of conduct policies and procedures. Once adopted this Code of Conduct will replace any existing or previous Codes of Conduct. The Appendices may be changed at Board or Committee level without reference to a GM.

01:03:19 Trevor & Caryn: FinallyThe document makes reference to a Code of Conduct panel. Does this panel exist?How was this panel formed?How are people appointed to the panel?Also the document states that at Confest complaints should be directed to the Wellness Co-ordinators. Have the Wellness co-ordinators accepted that this is part of their Confest responsibility?Regards,Trev.

01:04:21 deBFI: I'm not

01:04:41 Lindy Hunt: im.not

01:07:35 John Magor: Again - rather than focus on the platform, can we maybe get more use of one another's thoughts and input discussing the content of the Code of Conduct?

01:08:07 Peter Tippett: Yes. This is what should happen before it is presented to the SGM.I must have missed the invite.

01:09:12 Peter Tippett: Does this work with the old code or replace it?

01:09:52 Peter Tippett: Motion 1. That DTE adopts the reworked Code of Conduct and moves forward to advertise and select a panel to implement the new code of conduct policies and procedures. The Appendices may be changed at Board or Committee level without reference to a GM.

01:19:05 Peter Tippett: It should not be presented to the meeting based off the work of one person. We have tried!

01:27:20 deBFI: Goodbye peoples. And others

01:27:33 Peter Tippett: cya Deb

01:28:14 Peter Tippett: Same here.
