00:44:34 John Magor: NOTES FOR MINUTESKate reported that has contacted

Kali re the previous minutes

00:47:58 John Magor: NOTES FOR MINUTESKate contacted Council re holding Confest, received positive response, particularly re enthusiasm of outdoor local events. Kate sent official note of interest, need to submit further docs up the track that may need to be 'dynamic' in nature due to changing circumstances. Any Covid safe plan needs to be current at time of event. Would do a site visit 1 week prior to event. Overall positive outcome.

01:12:40 david cruise: Dear all, Thanks Mark, Steve, Marty, Peter whose names I've seen on this thread And others concerned tooI've written several times about the huge risks to health of people, and to the finances & reputation of Confest of preparing then holding a Confest while CoVid is affecting so many and straining our nation's health systems & economy. Please abandon preparations for large gatherings. Perhaps very small controlled local events may be ok, but should not expose health of attendees or DTE finances to any riskMaybe we have to go back go Confest on line as some did for Easter 2020David CameronFormerly of First Aid
