20:13:46Meeting: CCAgenda item: Ticketing, front gate and passouts

00:50:41 Peter Tippett: Agenda details: Since the introduction of wristbands the process for leaving site during Confest has basically been an open gate policy. I have written to multiple boards about this and nothing has changed. The issue is to leave site during Confest, you basically drive or walk out. To re-enter site during Confest you basically wave your wristband out the window and keep on driving. The problem is if a car drives out with a

00:50:49 Peter Tippett: child and then the child does not return there is no way of knowing who left in the hour that the child had gone missing. The Trybooking system can handle pass outs. Scan out and scan back in. This would record who left, when they left and when they returned. This would solve the problem. Another solution would be to set a camera up to record number plates either by OCR or video to identify what vehicles leave site during Confest and when. Another solution would be to have a volunteer to scribe and record details of those leaving site. Another solution that was used in the past would be to issue pass outs as used to be done prior to the introduction of wristbands.

00:50:56 Peter Tippett: Motion: The CC writes to those working at the front gate and requests them to describe a method to be implemented for next Confest of managing those leaving site to secure the gate and be able to identify who is leaving and who returns during Confest.Item by: Peter Tippett

09:41:15Meeting: CCAgenda item: Confest membershipAgenda details: There appears to be confusion and dissolution to what DTE is about and what the responsibilities of being a member entails. I believe there may be interest in creating a Confest membership to promote volunteer contribution related to Confest as well as also draw a distinction of what being a member of DTE requires. The purpose of the motion below is to create a working group to discuss the intricacies of what Confest a membership would look like.Motion: That discussion is started related to establishing Confest membership.Item by: Peter Tippett
