01:53:23 Peter Tippett: Agenda item ID: 14203Date: 2023-02-27
22:34:33Meeting: Confest CommitteeAgenda item: ConFest SpacesAgenda details: There
are many spaces at ConFest that have been established over many years. most existing
Village spaces and spaces used by other groups are clearly marked and a lot of work has
gone into developing the spaces to make them safe and comfortable areas where
like-minded people can enjoy the festival. Newly developed spaces should be aware of the
boundaries of existing spaces when trying to find a suitable location and should seek to use
an area that isn't already being used by others.Motion: That new, or relocating Villages and
other groups must NOT encroach on existing Village spaces that have been clearly defined
from previous festivals.Item by: Mark Rasmussen
01:55:42 Peter Tippett: Who moved and 2nd the minutes please?
02:04:12 Rick Gill: I am shocked that car's will be search at the Gate !
02:04:39 Bryan PCV: Yeah not good
02:05:19 Rick Gill: I don't think Security would be aloud to do that bye law
02:05:49 Peter Tippett: What happens if they should find something?
02:06:26 Bryan PCV: Hopw would the identify something illicit?

02:06:27 Rick Gill: That would put a lot of stress on people family's and so on
02:06:33 Peter Tippett: I also thought the police did that for us on the roads
leading to site. ;-)
02:06:53 Bryan PCV: They're good like that.
02:07:04 Rick Gill: but bye law I don't think Security would be able to do that bye
law
02:08:17 Bryan PCV: Bag checks are simply open the bag look in and
security touch nothiing.
02:08:32 Rick Gill: will be put on the web site's that car's are going to be search
befor they can enter the confest ??
02:09:16 Bryan PCV: We need this insurance desperately. But how defined is
the process of searching?
02:09:17 Peter Tippett: Bryan, all bags?
02:09:44 Rick Gill: I don't mind earther way
02:09:59 Rick Gill: I just wounder with the spirt of confest
02:10:08 Rick Gill: or what confest one was
02:10:12 Bryan PCV: At the Supermarket they check your bags and are not
allowed to touch anything.
02:10:36 DeB&Darren: Is it police or security that will be checking at gate?
02:10:51 Rick Gill: you don't have to show your bag bye law at a supper market
02:11:31 Rick Gill: also there is no sign befor you enter a supper market they will
check your bags
02:12:18 Bryan PCV: At sports they ask you to open your bag and partially
emply until they are satiusfied. I would challenge this but we would probably need clarity
about insurers requirements.
02:13:21 DeB&Darren: We are talking about cars loaded up to the rafters...
how will that be checked?
02:14:07 david cruise: we need sniffer dogs
02:14:07 Bryan PCV: Yeah problematic so clarity needed from insurer as to
their expectations.
02:14:35 Bryan PCV: With som ejack booted handlers too?
02:15:06 DeB&Darren: I repeat my Q: is it police or private security doing this
checking??
02:15:46 Rick Gill: the Bill For Security might be extra costly if they havnt been told
about car searching
02:16:19 DeB&Darren: We need to make this known to attendees
02:17:13 Marte Kinder: Brian: Bike Crew (not a village) moved out of the forest
since 2019 to up on the plain with our container and we are not on the map as far as I know.
02:17:30 Peter Tippett: I agree. If there are going to be any changes then
people should know.
02:18:43 david cameron: NSW Police have done checks in Moulamein &
Denilquin previously with sniffer dogs.
They have issued expiation notices and some matters have gone to court. They did detain 1
man in theDeni cells for Easter so her could meet the Magistrate on the next court dayat
least
02:19:09 Brian: They will be there doing it again
02:20:26 DeB&Darren: Ok, third time : Who is checking upon entry?????
02:20:56 Bryan PCV: Brian may need to clarify
02:21:26 Peter Tippett: Motion: That new, or relocating Villages and other
groups must NOT encroach on existing Village spaces that have been clearly defined from
previous festivals.Moved by Mark RSeconded by Marte and Kristen
02:21:37 david cameron: Checks at gate will be a new thing.
Please do not bring illiicts to ConFest.
It's much safer to use them at home.
02:21:42 Brian: Security will need to

02:22:09 Bryan PCV: Thanks Brian.
02:22:38 Peter Tippett: Thanks for that Brian.
02:23:15 DeB&Darren: This needs to be made public, so that attendees are forewarned of this, as it has never happened before!
02:23:53 Bryan PCV: Makes sense once we get the insurance and the go ahead on the festival.
02:23:58 Marte Kinder: PBC
02:25:56 david cruise: I did not object to the motion yet I feel it is against the old confest ethic that each confest is a rebirth. I do not support ownership by individuals.
02:27:05 Mark Rasmussen: I will be up on Site one week before the Festival setting up the Veg Out Village space and associated workshop space.
02:28:31 Lindy & John: Sandbags are currently available in town, from the recent flood.
02:28:42 Walter: I have about 6 people coming up to do some preparation work on the long weekend
02:28:50 Mark Rasmussen: That's good news. Recycle the sand bags

02:29:31 Marte Kinder: Does VIC have a long weekend between now and Easter?
02:30:18 david cruise: sad we have lost the plot. we are a gathering, we need to show that who we are.
02:30:37 Marte Kinder: How does one contact Mapping Crew?
02:31:35 Peter Tippett: There are no booked acts.
02:32:00 Lindy & John: yes labour day 11 -13 th March
02:32:47 Marte Kinder: Thanks Lindy and John.
02:33:14 david cruise: Council give us only box to tic music festival.
02:33:24 Kristen Joy: @Marte John Reid and Trevor Pitt are on the mapping crew
02:34:13 david cruise: We need to work harder to show who we are.
02:36:28 Peter Tippett: I think the horse has bolted.
02:36:38 John M's iPad: Great point(s) Rick!
How's far are we (DTE/ConFest) prepared to acquiesce to other corporation's definition of 'us'?
We have a right - moreover, a responsibility to defend our right to define ourselves & our festival.

I get it that 'others see us that way' but if we, as a society have come far enough for individuals to define our gender(s), sexuality, and pronouns - why can we not be more proactive in an entirely diplomatic, proud & ethically strong manner to clearly choose what 'we' are, as opposed to being told what we are.

I think we have a responsibility to stand up for our right for ConFest to continue to define ourselves as being different from, as opposed to the same as.....

02:36:43 Peter Tippett: Is Confest an event or a gathering?
02:37:09 Kristen Joy: all the hoops have been multiplying and getting more stringent for many years now, It's been a very obvious trajectory
02:38:34 Kristen Joy: we know that we are a gathering ... councils and insurers care not what we say we are, they have checkboxes relative to their world and perceptions and requirements
02:38:55 Marte Kinder: Thanks Kristen, Sydney Van Village (an annex of Sydney Village) will be sharing out paddock too.
02:39:12 Rick Gill: Sorry for interting the meeting with my question

02:39:15 Rick Gill: Sorry
02:39:52 Rick Gill: yes I am sorry Mark
02:40:03 Kristen Joy: first aid is a time sensitive one
02:40:03 Lindy & John: do we have a quote for the insurance yet? or any number at all?
02:40:15 Rick Gill: I didn't mean to interrupt the meeting
02:40:17 Rick Gill: Sorry
02:40:21 Peter Tippett: <https://dte.coop/online/applications>
02:41:00 Andrew W, Suzie, Mark H, Sony R: We love you Rick Gill□□□□□□
02:43:56 david cruise: What is event insurance what does it cover
02:45:43 John M's iPad: My worry is that there are individuals who are prepared to acquiesce to others defining ConFest for reasons & ideals that suit an agenda other than standing up for DTE's right to strongly follow the precepts handed up to us from what it was Jim Cairns gifted Australia.

I, of course, understand that many things have changed, but maybe there's a responsibility to look more latterly at acquiescing to being defined, as opposed to demonstrating who we are, & all that ConFest is capable of - as well as why & how we are so remarkably different to 'another one of those' festivals.

I'm not naive to the realities of the necessities of compliance & insurance etc., but surely we have a responsibility to be fiercely gentle & clear in trying to maintain what ConFest is (& ought to be).

02:52:30 John M's iPad: Wow Aaron - so diplomatic - especially amongst people doing their best, and each and every one of us as Volunteers.

Care off volunteers with stated demands / expectations of nil other than excellence. A bit mercenary imho.

Thank you for sharing (and caring).

(But more so, thank you David Cameron for all that you have, and continue to do)

02:53:27 John M's iPad: Typo "Care off" = 'Scare off'

02:56:18 John M's iPad: "I don't want to cut in on other people without putting my hand up" - yet, you do?

02:58:36 John M's iPad: I hear you chair - just noting the hypocrisy of the state to re respecting people who wait respectfully with their hand up, as opposed to those whose comments are (in their opinion) important enough to not do as the others do - with regards to running a meeting, ironically similar to Aaron's comment.

03:00:52 Kristen Joy: the rule that addresses that John M is rule 33. worth a read.

03:06:05 Mark Rasmussen: night Rob

03:09:56 John M's iPad: To Dr David,

I'm really sorry that you were spoken to in the way you were earlier - to have 'excellence' foisted on you as a minimum requirement to bring (as a years long volunteer), is (I thought) not very useful nor supportive - & it begs the question of 'if not you - then who?' Is going to step up re first aid?

It hurt me to hear your being treated like that, and to anyone else who feels similarly, I extend support for you to not step away.

03:14:20 Rick Gill: to take your hand down scroll your pointer to the bottom on the screen

03:16:30 John M's iPad: Can we drop the shared screen now?

(Difficult on an iPad)

03:16:58 Peter Tippett: Do we have a mover and 2nder for this?

03:21:35 John M's iPad: Great work John Reid, especially as a 'non member' as some keep reminding you, but almost exclusively in a derogatory manner.

Clearly evidence that some non-members* are fkn awesome!
