All volunteers can eat at the Hive or arrange food to be kept or delivered to them. Who is allowed to eat at the market? All volunteers? All members? All directors? This could either be very unfair or very expensive for DTE. At this link are documents from Xero showing spending at the market. 00:57:06 Peter Tippett: Motion: That no DTE funds are spent at the ConFest market.

00:57:50 Kristen Joy: if we keep making decisions at general meetings that dictate what we must do on the fly in difficult circumstances where we already know there are reasonable exceptions, decisions that we can't undo anywhere but another general meeting, we will render ourselves unable to function.

00:57:58 Andrew, Sony, Marky Suzie: From Sony Lots of people prepare and deliver food to our wonderful volunteers âœ“âœ“âœ“

00:59:13 Caryn & Trev: Well said Deb

00:59:13 Kristen Joy: there are instances where despite the best efforts of the volunteer kitchen there are hardworking vols who don't get a meal when they need one, this motion reduces our ability to fix that

00:59:45 DeB&Darren: Feed them in Gypsy kitchen Kristen

01:00:35 Caryn & Trev: The main problem is when volunteers feel ENTITLED.We are all equal but some are more equal than others.

01:00:36 Kristen Joy: that happens when there is food available, all villages are happy to feed vols when they can

01:01:52 Peter Tippett: Agenda item: LAND CARE PROPOSAL FOR D.T.E PROPERTY AT WOOROOMA 7599 PRETTY PINE ROAD MOULEMEIN NSWAgenda details: Hi to all Members. I have a proposal to help with the re foresting of WOOROOMA I would like to use an area behind the Woolshed to establish a small plant nursery to grow plants indigenous to the site. And to have regular plantings. The plan would be to plant out 400 trees per year around the property. And have them maintained by Volunteers under the instruction of myself. There will be a plan drawn up of plantings that will not encroach on Aboriginal cultural heritage sites. with reference to Aboriginal Heritage Site Report 2012/13 In the past I have planted out an area of 2 acres/0.809 Hectares on a site near the cottage. An inspection invited by me to all concerned. I Would like to relocate some of my present Nursery at Bangholme Victoria to Woorooma. I have recently sold the Lease to my nursery and would like to continue growing some plants for the plant outs. I Have in the past supplied 1000

01:02:47 Peter Tippett: Agenda item ID: 14159Date: 2023-03-01 13:08:51Meeting: Special General MeetingAgenda item: EXPENDITURE IN CONTRAVENTION OF GM MOTIONSAgenda details: At the SGM in July 2020 the following motions were passed: That DTE does not pay for any food or drinks. PBM That DTE does not pay for any travel expenses including, but not limited to, fuel for personal transport, vehicle hire, taxis, Uber and other ride sharing services, public transport including airfares, parking costs,

road tolls, traffic infringements, registration, insurance or maintenance of personal vehicles. Also the use of DTE vehicles for private purposes is to be discontinued. PBC That DTE does not pay for any camping or caravanning equipment including, but not limited to, tents, caravans, furniture, bedding (mattresses, pillows and bedlinen). PBC That DTE does not pay for any personal clothing, footwear, headwear or sunglasses and that this includes both fashion items and work clothes. PBC That DTE does not pay for any personal phone or intern

01:04:24 Peter Tippett: Kristen, I think you raised a very valid point regarding tickets and the Aboriginal Village. I hope you or someone else is able to put a motion that works for all to the CC.

01:08:24 Peter Tippett: Motion: That anyone who spent DTE money in contravention of the June 2020 SGM motions banning the use of DTE money for personal expenditure is required to reimburse DTE and does not receive any more DTE funding, (either in advance or as reimbursement of expenditure) until this misspent money is refunded to DTE.

01:11:32 DeB&Darren: And again; it's sad really that a motion such as this is necessary!

01:11:54 DeB&Darren: MORE valuable???

01:12:28 DeB&Darren: Might as well ditch the rest then aye?!

01:13:52 Kristen Joy: some folks contribute thousands of hours per year, and have totalled months on site per year working hard for dte, it is reasonable that doing that does not ask an unreasonable sacrifice of their personal finances or health

01:14:29 DeB&Darren: Such as Peter and Richard and David Cruise?

01:16:36 Peter Tippett: Motion: That anyone who spent DTE money in contravention of the June 2020 SGM motions banning the use of DTE money for personal expenditure is required to reimburse DTE and does not receive any more DTE funding, (either in advance or as reimbursement of expenditure) until this misspent money is refunded to DTE.

01:19:10 John Magor: All of this motion - every. regrettable. word of it is *entirely* due to Members (some of whom might otherwise be classified as being 'more valuable Members' by some amongst us) - this ENTIRE motion has been created entirely because too many people have repeatedly & brazenly abused DTE funds for their own purposes.

01:19:44 Caryn & Trev: How many hours do I need to volunteer until I become one of the ENTITLED ONES(Trev)

01:20:03 Andrew, Sony, Marky Suzie: Me too! ☹️, ☹️

01:20:51 John Magor: Correction Trev - the exact wording was "some members are more valuable than others'. So Trev - it's a more valuable member status that you ought aspire to.

01:20:58 Caryn & Trev: Thank you Ian

01:21:26 DeB&Darren: Only exemption is Andrew! He gets bunny ears as safety gear! 🐰

01:23:16 Peter Tippett: Motion: That anyone who spent DTE money in contravention of the June 2020 SGM motions banning the use of DTE money for personal expenditure is required to reimburse DTE and does not receive any more DTE funding, (either in advance or as reimbursement of expenditure) until this misspent money is refunded to DTE.

01:25:06 Kristen Joy: I would like to be confident that a payback process is one that treats our vols with respect and compassion and looks carefully at the context of the contested spending

01:25:10 John Magor: Correction to my earlier statement - what was stated is that those who misuse money in the stated manner(s) relinquish the rights of funding as per; "That anyone who spent DTE money in contravention of the June 2020 SGM motions banning the use of DTE money for personal expenditure is required to reimburse DTE and does not receive any more DTE funding, (either in advance or as reimbursement of expenditure) until this misspent money is refunded to DTE."

01:48:15 Peter Tippett: Does consent need to be obtained? Also I think the board now does the SGM agenda, notices.
