- Shardae, I *strongly* support the Hive as one of the hardest working crews at ConFest, and would always support any reasonable and constructive requests for them to be provided more support(s) - however, I can not support DTE funds to be used to purchase meals from the market.This is open to abuse, & there's way too many examples of abuses of DTE funds being used inappropriately.At any time, any crew can & most usually do pre-order meals for their crew, & arrange delivery to those crews.Many (many) times, I've ate cold meals, hours after meal time, but as a volunteer, I know that's what I'm signing up for when I volunteer my hours within an -entirely- voluntary cooperative.

-  John Magor02:14:36
- I think it's great to see so many people at this SGM, but I wish the same people had been at the meetings at which the very motions were voted on, but moreover why they were voted on in the first place.Many Members had to fight to have these motions moved \*only\* because of tee many recorded abuses of sending that occurred. eg:- as David Cameron stated - his being offered plane transport to ConFest from Adelaide,- the board voting to pay rent and utilities paid for another Director (ie. 'Volunteer') to 'work' onsite,- a Director having budget to provide steak dinners within the budget for their crew/camp whilst the Hub was up and running,- DTE funds being used to purchase personal clothing...the abv list, whilst exhausting, is \*not\* exhaustive, & all of the above -is- on the record.These things have occurred, hence the motions voted on to try to stop them from happening.The way to rescind any specific motion is to rescind that motion specifically - & if it gets voted o by Members, so be it.

## Ratification of roles

-  Peter Tippett03:03:18
- Agenda details: Now that we have Confest going again it would be of practical use to the members and volunteers to have facilitator roles ratified by the OC or CC. This will enable those who want to, to recommit, or to move on if they have had enough. Ratifying annually will help inform members and volunteers who is the appropriate person to go to with questions or to offer support, and is useful and desirable organisational practise. It may also serve to encourage people to move into these roles or take on an assistant role.
-  Peter Tippett03:03:27
- This motion does not preclude any member or volunteer from leaving the role they have taken at any time during the 12 month period if they need to. It is optimal to have more than one facilitator/ coordinator for each area, so as to share the workload and support each other. This is not a complete list by any means but merely a starting point for which facilitator/ coordinator should be appointed by which committee. Organising Committee: Land management Vehicle management Buildings and Containers management Water ICT OHS Confest Committee: First aid Mapping Fire Villages Hive/hub Setup/pack down Site Ops Rangers Emergency management coordinator Workshop spaces and art spaces Volunteer coordinator Front gate Ticketing Welcome tent Traffic management Info tent Cooking circles Loo crew.
