We acknowledge the traditional custodians of the land on which we live, learn and work, specifically the lands of the Wemba Wemba people where we gather. We pay our respect to their Elders past and present, and to all Aboriginal and Torres Strait Islander peoples.

We stand on the shoulders of those who came before us, and all Australians now benefit from the efforts and contributions of people committed to reconciliation in the past. By sharing and embracing stories of Indigenous peoples, histories and cultures, we work together to further that national journey towards a fully reconciled country.
