Hi Rick.

Mark Rasmussen
01:28:25

once a motion has passed it becomes DTE Policy. It is irrelevant how each Director voted

Malcolm
01:29:30

no it is still important to know who voted. It is not irrelevant

Mark Rasmussen
01:29:49

important to who?

John Magor
01:31:31

"I'm Chairing the meeting" doesn't necessarily mean the Chair at that time gets to make empirical decisions about what's allowed to be said, & by who.

Mark Rasmussen
01:50:29

You can't ask people why they haven't put in their Activity Form in. You can only remind them that they have an opportunity to apply for Active Membership

Mark Rasmussen
01:58:37

I would like to join you in Landcare, Ray.

Mark Rasmussen
02:00:25

Well said, Lance

It is important to have clear agreements in these matters
