Robin, my question was - When and where was it "discussed" to include a opt in box with tickets and for what purpose are people opting in?

Peter Tippett  
01:18:38

So it is possible the decision to add a box was not made by a committee or the board or with consultation with the membership/volunteers.

That Andrew McLean be authorised to access the Confest mailing list and start newsletters to the larger ConFest community to aid communication and volunteer management by 31/12/23
