01:35:43 Elle Meoww: Motion:Progress of First Aid stored materials project - David CameronDescriptionConFest is now 2 months away. Expired medications have been surrendered for appropriate disposal. Equipment and consumable resources now stored in Melbourne are being sorted into what will / may / probably won't be used at ConFest. Perhaps some will be useful to other organisations. Useful stock will be moved to site when opportunities allow, however some are sensitive to heat so will need to stay in suitable storage until closer to Easter

01:44:41 Elle Meoww: THANK YOU BRIAN :)

01:50:40 David Cameron: Good night everyone
