The Down to Earth Co-op Society has been organising ConFest (*Conference/Festival*) for over 30 years.

We are a completely volunteer organisation.

The first ConFest was held at Cotter River, ACT in 1976 aiming to transforming society.

Down To Earth Vic still organises ConFest; these days every Summer and Easter.

It's a camping, nature, tribal gathering, seeking to celebrate and explore the same ideals that it started with.

For first timers ConFest can be challenging. Set up a camping spot, relax, avoid sunburn and make friends.

ConFest is essentially a healing, personal growth gathering; a sharing of ideas about what it means to be a 'happy', 'whole' human (from humus meaning earth) being.

Watch for the DTE signs, as you near the Confest site.

The entrance is on the South side of the road

FIRE BAN days must be adhered to, so also bring "no cooking needed" tucker. SMOKERS Please remember to dispose of your butts with care. ConFest is out in the bush and fire is a major worry, also many people are bare foot.

Rubbish

Bring as little as possible. Please take your rubbish and recyclables home. Organic matter can be put in a toilet. Avoid bringing glass as it breaks easily and becomes dangerous for bare feet.

At ConFest you can experience the profound peace and incredible beauty of nature and also satisfy and develop your social being.

You have time to sit and watch the sun set. ConFest sites are environments that have much of their natural irregularities intact so you get different, unexpected things happening.
